HOLY LANDS  
TOUR 2024**

The Garden Tomb

## PURPOSE

At SIBI we continue to train WHOLE persons to take the WHOLE gospel to the WHOLE world... As we look to the future, we believe that one of the ways that we can more fully equip people for ministry is to enhance their studies with a trip to the land of the Holy One. This trip is intended to help the participants more fully understand and conceptualize the world in which Jesus lived and thus, to better communicate God's word more accurately and vividly to the ones whom they serve. Some ministers go their whole lives without ever experiencing this kind of training opportunity. We want our students to begin their ministry ahead of that curve to the glory of God.
